The Pulaski Community School District is located in the heart of Wisconsin and is one of the largest school districts by area in the state. It encompasses approximately 180 square miles and is made up of five elementary schools, one middle school, and one high school. In total, the district serves nearly 3,700 students.

People seek out the Pulaski Community School District for innovative and excellent opportunities, which include:

- An array of programs from Early World Language to a pre-engineering program (PLTW)
- Partnerships with local universities and colleges offering college credit, AP, articulated, and transcribed courses
- An innovative community education program (PACE) which offers classes to all ages throughout the year and a summer school program that others strive to mimic
- A decorated music program and high school marching band
- A superior record in college admissions
