

Dear New Hobart Resident,

I extend an especially warm welcome to you as one of our newest residents! We consider ourselves extremely fortunate to live in this community with the beauty of its natural attributes as well as the natural beauty of its wonderful citizens. In addition to extending a welcome, let me also extend an invitation to you to contact me at anytime with your questions and comments, or with your ideas and interest in becoming more active in your local government.

Here in Hobart, we boast a Village property tax rate among the lowest in the region. To accomplish all of this and maintain this track record of success is only possible because of the painstaking efforts of an exceptionally capable, lean, and efficient Village Administrative Staff, and selflessly dedicated 5-member Village Board. Having moved here myself almost 30 years ago, I still cherish and hold dear what perhaps draws newcomers to the Hobart community today: family and small town American values. Hobart enjoys a handsome topography, a climate full of each of the four seasons, and convenience to all urban resources in our location near the "Northern Coast" of the Great Lakes. Yet we take great pride and make ongoing thoughtful efforts to preserve the quiet rural and residential ambiance that permeates our entire Village.

We revere and owe much appreciation to the diligence and work ethic of our early settlers and founding families who forged this area into prosperous family farms adjacent to magnificent residential communities. The Village has thoughtfully and successfully developed mixed use areas in both our southern and northern areas. These developments offer a complete spectrum of residential dwellings at various price points and value, as well as the opportunity for new retail, restaurants, office and professional spaces, and excellent outdoor amenities in the form of new green spaces.

We have enjoyed a vibrant past. We anticipate continued success on the course which we've embarked. And we're excited and encouraged to have you as our new neighbor and friend. I truly look forward to meeting you soon! If you're simply browsing the web, we're proud to showcase our Village! In any event, I always welcome your calls or e-mails.

Sincerely,

Rich Heidel
Village President

Ways the Village of Hobart Communicates with Our Citizens & Customers

<p><u>FACE-to-FACE</u></p> 	<p>The Village's small, but diligent workforce is here to serve your needs. When you come to the Village Office, you will be our priority. We will work to take care of your needs in a timely and courteous manner.</p>	<ul style="list-style-type: none"> • The Village Office is located at 2990 South Pine Tree Rd (intersection of HWY 172 and Cty GE), just a couple miles west of the airport entrance; • A full staff directory is included in the "Welcome Packet," but is also available on-line at www.hobart-wi.org under "contact the village" in case you do not know who you should be contacting!
<p><u>By Telephone</u></p> 	<p>One way to speed-up our customer service and save you a trip to the Village office is through telephone. Give us a call and we might be able to save you a trip, or we will have your materials prepared in advance if you do need to come to the Office.</p>	<ul style="list-style-type: none"> • OFFICE PHONE: (920) 869-1011 • You can expect a return call ASAP, but certainly within 1 business day; • Don't know who to call? The Office number offers you an easy-to-use staff directory. A full staff directory by function is included in this welcome packet and on the web at: www.hobart-wi.org.
<p><u>By Email</u></p> 	<p>The Village sends out an e-newsletter called "Hobart Headlines" bi-weekly. It is a great way to stay informed on everything going on in Hobart! Other inquiries and concerns can also be sent to Staff and Village Trustees via email. Please see the attached directory for email addresses that you may need to use.</p>	<p>To sign-up for "Hobart Headlines," simply go to the Village website, www.hobart-wi.org, and click on "Headlines" in the upper right-hand corner.</p> <p>The village staff answers emails from our resident-customers as quickly as possible. Email is an efficient way to have your needs addressed, to schedule an appointment with Village staff, or for something as simple as letting us know your garbage did not get picked up. We commit to acknowledging your email within the same day, if possible.</p>
<p><u>In Writing</u></p> 	<p>Every Hobart resident is supplied with a subscription to the Hobart-Ashwaubenon Press; a weekly newspaper that is delivered every Friday.</p>	<p>If you <u>are not receiving</u> your PRESS subscription each Friday, please contact the Village Office (869-1011) to get a subscription. The Hobart section of the PRESS will have articles on Village issues, legal notices (including meeting minutes, hearing announcements and agendas) and other news items affecting you. Please read it!</p>
<p><u>Village Website</u></p> 	<p>The Village website is user-friendly, and contains a comprehensive array of information. Forms, maps, meeting minutes, department information, etc. can all be found there. It should be the first place a resident looks when a question should arise, but don't hesitate to call if you can't find what your looking for!</p>	<p style="text-align: center;">www.hobart-wi.org</p> <p>Is something not on the website that might have been helpful or important to you? Let us know by emailing: hobart@hobart-wi.org. Chances are that others will benefit from your suggestions! We commit to having the most current and accurate data on our homepage.</p>

FREQUENTLY ASKED QUESTIONS

HOW CAN I STAY UP-TO-DATE AND INFORMED ON VILLAGE NEWS?

You may also sign up for “Hobart Headlines,” a bi-weekly e-newsletter that contains interesting and relevant information for Hobart residents. To sign-up, please visit www.hobart-wi.org and click on “Hobart Headlines” on the right portion of the page to sign-up!

WHAT SCHOOL DISTRICT DO I LIVE IN?

Hobart has two school districts, Pulaski and West DePere that serve Hobart students. Please call the Hobart Village Office 920-869-1011, or contact the schools for information on which school serves the district you will be residing in. The Pulaski phone number is 920-822-6000; West DePere phone number is 920-337-1393. Generally, HWY 54 is the dividing line (but not exactly) with Pulaski to the north and West DePere to the south. Please call the office or stop in at our office to check out the map if you need more detailed information.

DO I HAVE TO HAVE A DOG LICENSE?

Yes, annual licenses are required by the State of Wisconsin. Proof of current rabies vaccination is required for issuance of the license. The cost for dog licenses is \$5.00 for neutered or spayed animals and \$10.00 if they are not altered. Deadline for licenses each year is March 31st. After this date there is a penalty of \$5.00 per animal. Dogs are required to be confined on their owner’s property, and not to run at large.

A dog that is actively engaged in a legal hunting activity, including training, is not considered to be running at large if a dog is monitored or supervised by a person and the dog is on land that is open to hunting or on land on which the person has obtained permission to hunt or to train a dog. We do have a trail at the Four Seasons Park where you may walk your dog on a leash. We ask that you do keep your dog on a leash and clean up after it on the trail only so this privilege may be continued.

WILL MY MAILBOX BE REPAIRED IF THE SNOWPLOW HITS IT?

If you live on a County Road, call the Brown County Highway Commission at 920-492-4925 and file a report. They will advise you of the schedule for repairs. If you live on a Village of Hobart road, please call the village office 920-869-1011. We will take your information and, following the mailbox replacement policy to determine if the damage was caused by the plow.

WHERE CAN I PUT MY MAILBOX?

Please contact the post office for instructions and regulations (visit the USPS website and search “mailbox guidelines”). The Village does not approve of any construction in the right of ways other than the placement of the mailbox according to USPS regulations.

WHERE DO I REGISTER TO VOTE?

You may register at the Village Office, 2990 S. Pine Tree Rd., Hobart, WI or by mail by downloading the registration form from our website www.hobart-wi.org and supplying the proper identification along with the completed form to the office staff. We have included the Registration form in this welcome packet. *Please note that Voter I.D. is also required to vote.*

WHERE DO I VOTE?

The polling place for the Village of Hobart is located at 760 Airport Drive, at the Woodland Worship Center. Poll hours are 7:00 am to 8:00 pm on Election Day. *Voter ID is required to vote.*

I AM A NEW RESIDENT, MAY I VOTE?

If you have lived in the Village of Hobart for a minimum of 28 days prior to the election, you may register and vote. You will need to bring proof of residency to the polling place to register and vote on Election Day. *Voter ID is required to vote.*

HOW CAN I PARTICIPATE IN LOCAL GOVERNMENT?

Hobart values an interactive government with its residents, and maintains several standing committees that involve resident participation and input. We have a Planning and Zoning Committee, Site Review, Public Works and Utility Advisory Committee, Police Commission, Fire Commission, and Community Development Authority. If you have interest, experience or expertise in any of these or other local government issues, please contact our Village Clerk at 869-3802.

THEY ONLY TOOK PART OF MY GARBAGE/RECYCLING, WHY?

The garbage & recycling contractor starts pick-ups by 6:00 am. Please have your carts out for collection by that time. The garbage and recycling container lid must be able to be closed. If you have mounded bags on top of or set regular bags beside the cart it will not be picked up. Please be certain that the trash is not jammed and stuck in the cart.

If your garbage/recycling was correctly contained in your cart and the truck missed your pick up, **please call the Village Office as soon as possible at 920-869-1011.** We will contact the hauler to determine the issue and make arrangements for collection of your materials.

I WANT TO TAKE ADDITIONAL TRASH TO THE LANDFILL, HOW DO I GET THERE AND WHAT IS THEIR PHONE NUMBER?

You may take your additional garbage to the Brown County Transfer Station, 3734 W. Mason St., Hobart, WI. For charges please call Brown County Solid Waste at 920-490-2706. The Transfer Station does not accept cash payments. Payment must be either credit card or check.

HOW DO I GET RID OF LARGE ITEMS, CARPET & PAD, SWING SETS, BIKES, LAWNMOWERS, TIRES, GRILLS, ETC...?

Please see garbage and recycling info document for information on curbside large item pick-up by Advanced Disposal.

You may also dispose of them by taking them to the Brown County Transfer Station located at 3734 W. Mason Street, Hobart, WI. Please call the Transfer Station for charges 920-490-2706. The Transfer Station will not accept cash payments; they only accept check or charge

HOW DO I GET RID OF HAZARDOUS HOUSEHOLD WASTE?

Please visit the Brown County Resource Recovery Department's website, www.browncountyrecycling.org, to familiarize yourself with everything that is BANNED from the landfill, and must be disposed of properly. They have a Hazardous Household Waste facility that takes almost everything a household uses that may be hazardous.

Wisconsin Voter Registration Application Instructions

Each section on the front side of this document corresponds to the sections below (1-12)

These documents constitute proof of residence if they:

Contain the voter's current and complete first and last name and residential address, and are valid on the day used to register to vote.

Electronic versions are also acceptable.

- A current and valid WI Driver License / ID Card
- Any other official identification card or license issued by a Wisconsin governmental body or unit
- An employee ID card with a photograph, but not a business card
- A real property tax bill or receipt for the current year or the year preceding the date of the election
- A residential lease (Does not count as proof of residence if elector submits form by mail)
- A picture ID from a university, college or technical college coupled with a fee receipt
- A picture ID from a university, college or technical college coupled with an on-campus housing listing provided by the university, college or technical college to the municipality that denotes US Citizenship
- A utility bill for the period commencing not earlier than 90 days before the day registration is made
- (Homeless voters only) A letter from an organization that provides services to the homeless that identifies the voter and describes the location designated as the person's residence for voting purposes
- A bank statement • A paycheck • A check or other document issued by a unit of government

1

- Fill in the circle (New WI Voter, Name Change, Address Change) describing why you are completing this form.
- A "New WI Voter" is anyone who is not currently registered to vote in Wisconsin. You can check your voter registration status at MyVote Wisconsin website (<https://myvote.wi.gov>)
- Indicate your county and municipality of residence (e.g. Village of Cambridge, Dane County).

2

- If you have been issued a WI driver license or WI DOT-issued ID that is current and valid, you must provide the number and expiration date. If you are unsure of the number, please call DMV at (608) 266-2353.
- If you have been issued a WI driver license that is currently revoked, suspended, or expired; or have been issued a WI DOT-issued ID that is expired, please provide the number and the last 4 digits of your Social Security number.
- If you have not been issued a WI driver license or WI DOT-issued ID, you must provide the last 4 digits of your Social Security number.
- If you have not been issued a WI driver license, a WI DOT-issued ID, or a Social Security number, indicate that fact by filling in the appropriate circle.
- If you are registering to vote on Election Day and have been issued a WI driver license or ID, but are unable or unwilling to provide the number, your vote will not be counted unless you provide the number to the election inspectors by 8:00 p.m. on Election Day or to your municipal clerk by 4:00 p.m. the Friday following Election Day.

3

- Provide your current and complete name including your last name, first name, middle name, and suffix (Jr., Sr., etc.), if any. Please verify you have provided your name as it appears on the document, the number of which you provided in Box 2, if the name on that document is still your current and complete name.
- Provide your month, day, and year of birth.
- Providing your phone number and/or email address is optional and is subject to open records requests.
- A "military elector" is a person, or the spouse or dependent of a person who is a member of a uniformed service or merchant marine, a civilian officially attached to a uniformed service and serving outside the United States, or a Peace Corp volunteer. Military electors are not required to register as a prerequisite to voting at any election.
- A "permanent overseas elector" is a US citizen, at least 18 years old, who does not qualify as a resident of this state, but who was last domiciled in this state, or whose parent was last domiciled in this state immediately prior to the parent's departure from the United States, and who is not registered to vote in any other state.

4

- Provide your home address (legal voting residence) in Wisconsin.
- Provide your full street name, including the type (St, Ave, etc.) and any pre- and/or post-directional (N, S, etc.).
- Provide the city name and ZIP code that appears on mail delivered to your home address.
- You may not enter a PO Box as a residential address. A rural route box without a number should not be used.

5

- If your mailing address is different from your home address, provide it here. A PO Box is acceptable as a mailing address. Overseas electors should provide their complete overseas address here.

6

- Provide your previous first, last, and middle names, along with a suffix, if any.

7

- Provide the most recent address where you were previously registered to vote, if any.

8

- If you need assistance when voting, you may describe the assistance required (e.g. curbside voting, braille materials).
- If you are interested in being a poll worker for your municipality, you may fill in the circle to indicate your interest.
- If you do not have a street address, use the map to show where you live.

9

- If you answer "No" to either question in this section, you are not eligible to vote in Wisconsin.
- Please note, for question 2, you must either be at least 18 years old, or will be at least 18 years old at the time of the next election to be eligible to vote. If you are completing on election day you must be 18 years old today.

12

- **Assistant:** If you are unable to sign this form due to a physical disability, you may have an assistant do so on your behalf. That assistant must provide his or her signature and address in the space provided. By signing, the assistant certifies that he or she signed the form at your request.

HEY, WE ARE “HOBART” in Zip Codes 54155, 54115, and 54313!

Decades ago, when the Oneida post office was opened, a wide area around this postal branch was identified as “Oneida.” However, there is NO “Oneida” in Brown County and there never has been. The Town of Oneida is in Outagamie County.

Several years ago, the Village Board and staff worked hard with the Green Bay Post Master to ensure that mailing addresses within the jurisdictional boundaries of the Village of Hobart, would be acknowledged as “Hobart, WI” for Zip Codes 54155, 54115, and 54313. Things get confusing when folks continue to use “Oneida,” “De Pere,” or “Green Bay” for business and residential addresses located in the Village of Hobart in these zip codes.

All residents should use “Hobart, WI” for all personal, business, and property records (ex: all mail, taxes, census, new acquisitions, etc..). The Village would like to firmly state that if any person or entity insists that one cannot use “Hobart, WI” and must use “Oneida, WI,” they are either misinformed or incorrect. **Please call Andrew Vickers at 869-3804, or email at andrew@hobart-wi.org** if any issues should arise that you would like assistance with.

Why is it important to acknowledge Hobart as home? We’re attracting new businesses regularly, we’re the fastest growing community in Brown County, AND - - our quality of life and rural environment is something to truly brag about!

Don't Flush Disposable Towelettes

Increasingly popular cleaning wipes, pre-moistened towelettes such as [Handiwipes](#), [Clorox Clean Ups](#), baby wipes and [Swiffer](#) products, which are often advertised as flushable are being blamed for creating sewer system clogs and back-ups in municipalities across the nation. While these products provide convenience, they do not readily break down and dissolve in sewer systems, unlike toilet tissue and Kleenex. The result is costly sewer clogs and back-ups, which can lead to sewage back up into area basements.

Additionally these products have resulted in costly modifications to existing sewer system infrastructure. In recent history the Village expended over \$20,000 retrofitting one of its sewage lift stations due to pump clogs attributed to towelettes being experienced as frequently as twice a week. The retrofit involved replacing the pumping system with pumps utilizing newer technology designed to resist clogging.

While the retrofit has significantly reduced the frequency of clogs, this is an expense that would not have been pursued until the pumps had reached the end of their useful life. Clogs experienced in our sewage system put residents at risk of sewage back-up and results in maintenance costs that would otherwise not be experienced. Recognizing these costs have a direct impact on the sewage rates paid by all customers, *the Village asks all residents and house cleaning services to refrain from flushing these products down the toilet.*

Winter Plowing and Parking Regulations

All Night Parking Prohibited

No person shall park a vehicle on any street or road within the Village between 2 a.m. and 6 a.m. from November 1 through March 31 of each year. (§264-3) Hobart Municipal Code

If you have any questions regarding where the right-of-way is, please call the office and we will assist you. The number for the Department of Public Works is 869-3807.

Please do not plow snow across the roadways.

PLACING INJURIOUS SUBSTANCE ON HIGHWAY: No person shall place or cause to be placed upon a highway any foreign substance, which is or may be injurious to any vehicle or part thereof. (§346.94) miscellaneous prohibited acts; Wisconsin State Statutes:

SEVERE WEATHER WARNINGS IN THE VILLAGE

The Village of Hobart currently has one tornado siren located at Fire Station #1 on S. Pine Tree Rd, south of the Village office. The tornado sirens utilized in Brown County have a coverage area of 1 to 1 ½ miles.

Alternative Weather Warning Options

You may purchase a “weather radio” through Brown County Emergency Management. The county sells Midland, model WR-100 weather radios at a cost of \$30 plus tax. Features of this radio include: tone alert, specific area messaging and battery back-up. It is important to note, that unlike the traditional media people use to remain aware of severe weather, weather radios function even when we experience power outages. Area hardware stores also retail weather radios with additional features other than the features offered by the Brown County Midland WR-100 radio. Should residents have questions regarding weather radios, please contact Paul Gazdik at Brown County Emergency Management at 391-7431 or Hobart-Lawrence Police Chief Randy Bani at 869-3800. Residents should also investigate their smart phones or other wireless devices that may have downloadable applications to alert them to severe weather in our area.

Park and Shelter Rentals

Times available for rental are:

- 7:00 am – 10:00 pm Monday – Thursday & Sunday; and
- 7:00 am - 12:00 midnight on Friday and Saturday.

Rental contract forms are available at www.hobart-wi.org. If you would like to talk with someone regarding park facilities rental you may contact the Village Business Office at 920-869-1011 and press 0.

FRIDAY: 6:30AM TO 12:00PM
SATURDAY: 9AM to Noon
APRIL 15th to NOVEMBER 15th

**YARD WASTE DISPOSAL SITE IS AVAILABLE TO
ALL HOBART RESIDENTS**

**NO
DUMPING BY CONTRACTED LAWN
OR TREE CARE SERVICES**

What Yard Waste is Accepted?

- ⇒ Grass Clippings
- ⇒ Plants
- ⇒ Leaves
- ⇒ Weeds
- ⇒ Pine Cones
- ⇒ Sod edgings
- ⇒ Brush
- ⇒ Garden materials
- ⇒ Small Branches

Examples of NON-Acceptable Items:

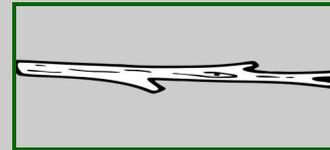

- ⇒ Kitchen/Food Waste
- ⇒ Metal, Stones, Plastics, Glass
- ⇒ Animal Waste
- ⇒ Stumps
- ⇒ Lumber

All materials must be removed from bags, bins, boxes or similar containers when dropped off.

What Woody Material Is Accepted?

- ⇒ Tree limbs & trunk wood must be less than **6 inches** in diameter
- ⇒ Lengths between 4 feet to 12 feet

Examples of NON-Acceptable Woody Materials:

- ⇒ Construction lumber
- ⇒ Stumps
- ⇒ Pallets
- ⇒ Fence posts

You must separate yard waste from woody materials. The Public Works Facility will have separate receiving bins for each type of material.

Illegal dumping will result in fines up to \$500 plus Court costs per Village ordinance: Article II, 1-3

For more information contact the Public Works Department;

Household Hazardous Waste Management

A SERVICE PROVIDED FOR NORTHEAST WISCONSIN RESIDENTS

Many products contain hazardous materials.

Improper disposal of these products can cause harm to humans and the environment.

This guide will help you identify hazardous products around your home.

Keep your home safe by properly disposing of hazardous products!

- Key:**
-  Dry in a secure, well-ventilated area and place in the trash
 - HHW** Take to the Household Hazardous Waste Facility
 - TS** Contact the Transfer Station @ 920.490.2706
 -  Contact your local the Police Department
 -  Flush down the drain (*only if connected to a sanitary sewer*) with plenty of water
 - \$** Call the Household Hazardous Waste Facility @ 920.492.4964 for current rates

What is the best way to dispose of my paint?

- Latex paint is non-hazardous but represents nearly 30% of all the material collected by the HHW Facility. Full or partly full paint cans may be brought to the HHW Facility though there is a charge for disposal of latex paint.
- If the can has a small amount of paint left in it, sawdust, oil-dry, or cat litter can be used to absorb and dry all the free liquid. The can may then be disposed of with the lid off in your regular garbage.
- If the paint can is empty, let any paint residue in the can dry completely. Dispose of the can in your regular garbage with the lid off.

When properly stored, paint has an amazing shelf life. Oil-based paint can last up to 15 years and latex paint will keep up to 10 years. If paint still mixes smoothly, it can probably still be used. If latex paint has frozen, brush it on a piece of paper. If there are no lumps, the paint can still be used.

What do we do with your Hazardous Waste?

- Most materials, **like paint and solvents**, are bulked into 55-gallon drums. These drums are removed by a hazardous waste contractor who further bulks the material for transportation to a company that uses it as fuel. A cement kiln, for example, is a company that can use this material in a process, similar to incineration, called fuel blending. Fuel blending recovers the heat value, but at the same time the material is destroyed because of the high temperatures.
- Materials, like **pesticides**, are packed into drums called loose packs, which are drums filled with smaller containers. These drums are sent to a disposal company for additional sorting. Some of this material may be fuel blended, but most will be incinerated. Incineration destroys large complex chemicals by breaking them down into small, less hazardous compounds like water, carbon dioxide and ash.
- **Acids and bases** are sent for disposal in lab packs. Lab packs are similar to loose packs, except a lab pack has a container content sheet. This inventory sheet is used to further identify the hazardous components of the lab pack. Corrosives are neutralized to make them non-hazardous.
- **Computers** are sent to a company where they are disassembled. Any non-retaining information parts are reused. Information-retaining parts are shredded before recycling.

What is the Product Exchange Room?

Much of the material brought to the Facility is in very good shape and can still be used. The Facility has a Product Exchange Room where residents are able to pick up items to use for home repairs and projects! Each year more than 150,000 pounds of paint, stains, thinners, pesticides, automotive and cleaning products are taken and reused. You do not need to bring anything to take something; however, we ask that you take no more than 5 items at one time.

Where does Brown County get its funding for the HHW Program?

A unique relationship between the Brown County Port & Solid Waste Department, Green Bay Metropolitan Sewerage District, all Brown County units of government, and the Oneida Tribe of Indians provides a portion of the program's funding. Additional funding is obtained through grants and generated by collecting material from businesses and other Counties. While most products brought in by Brown County Residents are not assessed a fee, there is a **minimal charge for computers, electronics and latex paint**.
