

RESOLUTION 2022-04

A RESOLUTION IMPLEMENTING THE LOCAL ANNUAL ADJUSTMENT POLICY AND ESTABLISHING 2021 SEWER VOLUME RATES FOR THE HOBART SEWER UTILITY

BY THE VILLAGE BOARD OF THE VILLAGE OF HOBART, WISCONSIN:

WHEREAS, Village Ordinance Chapter 237 has established a public Utility to facilitate Village administration and enforcement of enabling State Statutes and Administrative Code(s) related to sewage treatment; and

WHEREAS, the Village Board of the Village of Hobart has developed a Local Annual Adjustment Policy to account for "pass-through" charges from the Green Bay Metropolitan Sewerage District to local Hobart Utility customers, which policy is attached to this Resolution, as well as other related day-to-day operational costs of the Utility and to address the long-term financial needs of the Utility; and

WHEREAS, within in the Local Annual Adjustment Policy, the Village Board is authorized to adjust local sewage charges by the devised method of calculation; and

WHEREAS, Hobart residents expect a transparent, public process by which Utility customers are informed of proposed changes to the sewer rate structure; and

WHEREAS, the Village Board held a public hearing on the proposed rate increase on March 15th 2022; and

WHEREAS, the Village Board wishes to avoid volatile Utility rates and/or the need to subsidize the Utility with other revenue sources such as the general property tax levy;

THEREFORE, BE IT RESOLVED THAT, the Village of Hobart Board of Trustees, based on the calculation method of the policy described above, implements a five-point-six (5.6) percent (\$0.44 per 1,000 gallons) increase in sewer volume rates, and establishes a new sewer volume rate of \$8.21 per 1,000 gallons effective immediately. Said rate will remain in effect until changed by subsequent Board Resolution.

Adopted this 15th day of March, 2022

Richard Heidel, Village Board President

Attest:

Erica Berger, Village Clerk / Treasurer

Aaron Kramer, Village Administrator
