

RESOLUTION NO. 2023-08

RESOLUTION AWARDING THE SALE OF \$3,500,000
GENERAL OBLIGATION COMMUNITY DEVELOPMENT
BONDS, SERIES 2023A

WHEREAS, on February 22, 2023, the Village Board of the Village of Hobart, Brown County, Wisconsin (the "Village") adopted an initial resolution authorizing the issuance of general obligation bonds in an amount not to exceed \$3,500,000 for the public purpose of providing financial assistance to community development projects under Section 66.1105, Wisconsin Statutes, by paying project costs included in the project plan for the Village's Tax Incremental District No. 2 (the "Project") (the above-referenced initial resolution is referred to herein as the "Initial Resolution");

WHEREAS, on February 22, 2023, the Village Board of the Village also adopted a resolution (the "Set Sale Resolution"), providing that the general obligation bond issue authorized by the Initial Resolution be issued and sold as a single issue of bonds designated as "General Obligation Community Development Bonds, Series 2023A" (the "Bonds") for the purpose of paying the cost of the Project;

WHEREAS, the Village Board hereby finds and determines that the Project is within the Village's power to undertake and therefore serves a "public purpose" as that term is defined in Section 67.04(1)(b), Wisconsin Statutes;

WHEREAS, the Village is authorized by the provisions of Section 67.04, Wisconsin Statutes, to borrow money and issue general obligation bonds for such public purposes;

WHEREAS, pursuant to the Set Sale Resolution, the Village has directed PMA Securities, LLC ("PMA") to take the steps necessary to sell the Bonds to pay the cost of the Project;

WHEREAS, PMA, in consultation with the officials of the Village, prepared an Official Notice of Sale (a copy of which is attached hereto as Exhibit A and incorporated herein by this reference) setting forth the details of and the bid requirements for the Bonds and indicating that the Bonds would be offered for public sale on March 21, 2023;

WHEREAS, the Village Clerk (in consultation with PMA) caused a form of notice of the sale to be published and/or announced and caused the Official Notice of Sale to be distributed to potential bidders offering the Bonds for public sale on March 21, 2023;

WHEREAS, the Village has duly received bids for the Bonds as described on the Bid Tabulation attached hereto as Exhibit B and incorporated herein by this reference (the "Bid Tabulation");

WHEREAS, it has been determined that the bid proposal (the "Proposal") submitted by the financial institution listed first on the Bid Tabulation fully complies with the bid requirements set forth in the Official Notice of Sale and is deemed to be the most advantageous

to the Village. PMA has recommended that the Village accept the Proposal. A copy of said Proposal submitted by such institution (the "Purchaser") is attached hereto as Exhibit C and incorporated herein by this reference; and

WHEREAS, the Village Board now deems it necessary, desirable and in the best interest of the Village that the Bonds be issued in the aggregate principal amount of \$3,500,000.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village that:

Section 1. Ratification of the Official Notice of Sale and Offering Materials. The Village Board hereby ratifies and approves the details of the Bonds set forth in Exhibit A attached hereto as and for the details of the Bonds. The Official Notice of Sale and any other offering materials prepared and circulated by PMA are hereby ratified and approved in all respects. All actions taken by officers of the Village and PMA in connection with the preparation and distribution of the Official Notice of Sale, and any other offering materials are hereby ratified and approved in all respects.

Section 1A. Authorization and Award of the Bonds. For the purpose of paying the cost of the Project, there shall be borrowed pursuant to Section 67.04, Wisconsin Statutes, the principal sum of THREE MILLION FIVE HUNDRED THOUSAND DOLLARS (\$3,500,000) from the Purchaser in accordance with the terms and conditions of the Proposal. The Proposal of the Purchaser offering to purchase the Bonds for the sum set forth on the Proposal (as modified on the Bid Tabulation and reflected in the Pricing Summary referenced below and incorporated herein), plus accrued interest to the date of delivery, resulting in a true interest cost as set forth on the Proposal, is hereby accepted. The President and Village Clerk or other appropriate officers of the Village are authorized and directed to execute an acceptance of the Proposal on behalf of the Village. The good faith deposit of the Purchaser shall be applied in accordance with the Official Notice of Sale, and any good faith deposits submitted by unsuccessful bidders shall be promptly returned. The Bonds shall bear interest at the rates set forth on the Proposal.

Section 2. Terms of the Bonds. The Bonds shall be designated "General Obligation Community Development Bonds, Series 2023A"; shall be issued in the aggregate principal amount of \$3,500,000; shall be dated their date of issuance; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall bear interest at the rates per annum and mature on March 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference. Interest shall be payable semi-annually on March 1 and September 1 of each year commencing on March 1, 2024. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The schedule of principal and interest payments due on the Bonds is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

Section 3. Redemption Provisions. The Bonds maturing on March 1, 2033 and thereafter are subject to redemption prior to maturity, at the option of the Village, on March 1, 2032 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from

maturities selected by the Village, and within each maturity by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

Section 4. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Bonds as the same becomes due, the full faith, credit and resources of the Village are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the Village a direct annual irrepealable tax in the years 2023 through 2034 for the payments due in the years 2024 through 2035 in the amounts set forth on the Schedule.

(B) Tax Collection. So long as any part of the principal of or interest on the Bonds remains unpaid, the Village shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Bonds, said tax shall be, from year to year, carried onto the tax roll of the Village and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the Village for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Bonds when due, the requisite amounts shall be paid from other funds of the Village then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits: There shall be and there hereby is established in the treasury of the Village, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the Village may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Community Development Bonds, Series 2023A" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Bonds is fully paid or otherwise extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued interest received by the Village at the time of delivery of and payment for the Bonds; (ii) any premium which may be received by the Village above the par value of the Bonds and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of

meeting principal of and interest on the Bonds when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Bonds when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Bonds until all such principal and interest has been paid in full and the Bonds canceled; provided (i) the funds to provide for each payment of principal of and interest on the Bonds prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Bonds may be used to reduce the next succeeding tax levy, or may, at the option of the Village, be invested by purchasing the Bonds as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Bonds have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the Village, unless the Village Board directs otherwise.

Section 7. Proceeds of the Bonds; Segregated Borrowed Money Fund. The proceeds of the Bonds (the "Bond Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Bonds into the Debt Service Fund Account created above) shall be deposited into a special fund (the "Borrowed Money Fund") separate and distinct from all other funds of the Village and disbursed solely for the purpose or purposes for which borrowed. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose or purposes for which the Bonds have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the Village, charged with the responsibility for issuing the Bonds, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Bonds to the Purchaser which will permit the conclusion that the Bonds are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The Village represents and covenants that the projects financed by the Bonds and the ownership, management and use of the projects will not cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code. The Village further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The Village further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The Village Clerk or other officer of the Village charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the Village certifying that the Village can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The Village also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the Village will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Designation as Qualified Tax-Exempt Obligations. The Bonds are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265 of the Code, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

Section 11. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the Village by the manual or facsimile signatures of the President and Village Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the Village of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the Village has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The Village hereby authorizes the officers and agents of the Village to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 12. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by Zions Bancorporation, National Association, Chicago, Illinois, which is hereby appointed as the Village's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The Village hereby authorizes the President and Village Clerk or other appropriate officers of the Village to enter into a Fiscal Agency Agreement between the Village and the Fiscal Agent. Such contract may provide, among other things, for the performance by the Fiscal Agent of the functions listed in Wis. Stats. Sec. 67.10(2)(a) to (j), where applicable, with respect to the Bonds.

Section 13. Persons Treated as Owners; Transfer of Bonds. The Village shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the President and Village Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The Village shall cooperate in any such transfer, and the President and Village Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 14. Record Date. The 15th day of the calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the Village at the close of business on the Record Date.

Section 15. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the Village agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the Village Clerk or other authorized representative of the Village is authorized and directed to execute and deliver to DTC on behalf of the Village to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the Village Clerk's office.

Section 16. Official Statement. The Village Board hereby approves the Preliminary Official Statement with respect to the Bonds and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the Village in connection with the preparation of such Preliminary

Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate Village official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The Village Clerk shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

Section 17. Undertaking to Provide Continuing Disclosure. The Village hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the Village to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

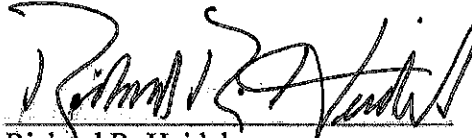

To the extent required under the Rule, the President and Village Clerk, or other officer of the Village charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the Village's Undertaking.

Section 18. Record Book. The Village Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 19. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Bonds, the officers of the Village are authorized to take all actions necessary to obtain such municipal bond insurance. The President and Village Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the President and Village Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

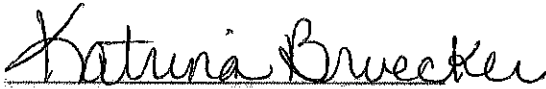

Section 20. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Village Board or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Adopted, approved and recorded March 21, 2023.

The Bidder (“Bidder”) bears all risk of transmission failure.

Any Bidder intending to bid via e-mail shall notify the Financial Advisor of such intention no later than the close of business on March 20, 2023.

Determination of Winning Bid

The Bonds will be awarded to the single and best Bidder (the “Underwriter”) whose bid will be determined upon the basis of the **lowest TIC** at the rates designated in said bid from the dated date to the maturity dates after deducting the bid premium or adding the bid discount, if any. The TIC will be calculated as the rate which, when used in computing the present value of all principal and interest to be paid on the Bonds (commencing on March 1, 2024 and semiannually on each March 1 and September 1 thereafter), produces an amount on the date of issuance of the Bonds (expected to be April 11, 2023) equal to the purchase price set forth in the bid. In the event of more than one proposal specifying the lowest TIC, the Bonds will be awarded to the Bidder whose proposal is selected by lot from among all such proposals.

Terms of the Bonds

The Bonds will be dated the date of issuance thereof, will mature on the dates and in the amounts, and not more than one rate should be specified for each maturity as described in the Official Bid Form attached hereto.

The Bonds due on and after March 1, 2033 are subject to redemption prior to maturity, at the option of the Village, in whole or in part, from maturities selected by the Village and within each maturity by lot, in integral multiples of \$5,000, on March 1, 2032 or on any date thereafter, at a redemption price of par plus accrued interest to the redemption date.

Any Bidder electing to designate any maturities as term bonds shall so specify on the affirmed bid form. The term bonds shall be subject to mandatory sinking fund redemption by lot in the amounts currently specified for the serial bonds, at a redemption price of 100% of the principal amount thereof.

Bidding Parameters

The interest rates must be in multiples of one-eighth or one-twentieth of one percent (1/8 or 1/20 of 1%), and not more than one rate for a single maturity shall be specified. The rate bid for each maturity shall not exceed 5.00%. All bids must be for all of the Bonds and must be for not less than 100.00% and not more than 102.00% of the par amount thereof.

Attorneys' fees, Financial Advisor fees, rating agency fees, paying agent fees, the cost of distributing the Official Notice of Sale, the Preliminary Official Statement and the final Official Statement and miscellaneous expenses of said Village incurred in connection with the offering and delivery of the Bonds shall all be the obligation of the Village.

A good faith deposit will not be required prior to bid opening. The Underwriter is required to submit a certified or cashier's check on a solvent bank or trust company or a wire transfer for \$35,000 payable to the Village as evidence of good faith of the bidder (the "Deposit") not later than 3:30 P.M. Central Daylight Saving Time on the sale date. The Deposit of the Underwriter will be retained by the Village pending delivery of the Bonds. The Village may hold the proceeds of any Deposit or invest the same (at the Village's risk) in obligations that mature at or before the delivery of the Bonds, until disposed of, as follows: (a) at the delivery of the Bonds and upon compliance with the Underwriter's obligation to take up and pay for the Bonds, the full amount of the Deposit held by the Village, without adjustment for interest, shall be applied toward the purchase price of the Bonds at that time, and the full amount of any interest earnings thereon shall be retained by the Village; and (b) if the Underwriter fails to take up and pay for the Bonds when tendered, the full amount of the Deposit plus any interest earnings thereon will be forfeited to the Village as liquidated damages.

The Underwriter shall provide Bond Counsel, within 48 hours of the award, the required issue statistics to complete parts II-V of Department of Treasury Form 8038-G.

The Village will furnish to the Underwriter the approving legal opinion of Bond Counsel. After delivery, the Village will furnish to the Underwriter a complete certified transcript of all proceedings in connection with the issuance of the Bonds which shall include a non-litigation certificate showing that there is no litigation pending or threatened as to the validity or security of the Bonds.

Establishment of Issue Price

(a) The winning bidder (the "Purchaser") shall assist the Village in establishing the issue price of the Bonds and shall execute and deliver to the Village at closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the Public (as hereinafter defined) or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the Village and Bond Counsel. All actions to be taken by the Village under this Official Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the Village by the Village's Financial Advisor, identified herein, and any notice or report to be provided to the Village may be provided to the Village's Financial Advisor. Within one hour of the award, the

Purchaser will provide the Village and its Financial Advisor the expected initial offering price of the Bonds, which the Purchaser used to formulate its bid.

(b) The Village intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "Competitive Sale Requirements") because:

- (1) the Village will disseminate this Official Notice of Sale to potential Underwriters in a manner that is reasonably designed to reach potential Underwriters;
- (2) all bidders will have an equal opportunity to bid;
- (3) the Village may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the Village anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the lowest TIC, as set forth in this Official Notice of Sale.

Any bid submitted pursuant to this Official Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

(c) In the event that the Competitive Sale Requirements are not satisfied, the Village shall so advise the Purchaser. In such event, any bid proposal submitted will not be subject to cancellation or withdrawal, and the Village agrees to use the rule selected by the Purchaser on its bid form to determine the issue price for the Bonds. On the bid form, each bidder must select one of the following rules to establish the issue price of the Bonds: (i) the first price at which 10% of a maturity of the Bonds (the "10% Test") is sold to the Public as the issue price of that maturity, or (ii) the initial offering price of that maturity (the "Hold-the-Offering-Price Rule"), in each case applied on a maturity-by-maturity basis. The Purchaser shall advise the Village if any maturity of the Bonds satisfies the 10% Test as of the date and time of the award of the Bonds. The Purchaser shall promptly advise the Village, at or before the time of award of the Bonds, which maturities of the Bonds shall be subject to the 10% Test or shall be subject to the Hold-the-Offering-Price Rule. *Bidders should prepare their bids on the assumption that some or all of the maturities of the Bonds will be subject to the Hold-the-Offering-Price Rule or the 10% Test, as selected on the bid form, in order to establish the issue price of the Bonds.* In addition, if the 10% Test has not been satisfied with respect to any maturity of the Bonds prior to closing, then the Purchaser shall provide the Village with a representation as to the price or prices as the date of closing at which the Purchaser reasonably expects to sell the remaining Bonds of such maturity.

(d) **If the Competitive Sale Requirements are not satisfied and the Purchaser selects the Hold-the-Offering-Price Rule**, then the Purchaser shall (i) confirm that the Underwriters (as hereinafter defined) have offered or will offer the Bonds to the Public (as hereinafter defined) on or before the date of award at the offering price or prices (the "Initial Offering Price"), or at the corresponding yields set forth in the bid submitted by the Purchaser and

(ii) agree, on behalf of the Underwriters participating in the purchase of the Bonds, that the Underwriters will neither offer nor sell unsold Bonds of any maturity to which the Hold-the-Offering-Price Rule shall apply to any person at a price that is higher than the Initial Offering Price to the Public during the period starting on the Sale Date (as hereinafter defined) and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the Sale Date; or
- (2) the date on which the Underwriters have sold at least 10% of that maturity of the Bonds to the Public at a price that is no higher than the Initial Offering Price to the Public.

The Purchaser will advise the Village promptly after the close of the fifth (5th) business day after the Sale Date whether it has sold 10% of that maturity of the Bonds to the Public at a price that is no higher than the Initial Offering Price to the Public. Within one hour of the award, the Purchaser will inform the Village of the Initial Offering Price for each maturity of the Bonds.

(e) If the Competitive Sale Requirements are not satisfied and the Purchaser selects the 10% Test, then until the 10% Test has been satisfied as to each maturity of the Bonds, the Purchaser agrees to promptly report to the Village the prices at which the unsold Bonds of that maturity have been sold to the Public. That reporting obligation shall continue, whether or not the closing date has occurred, until either (i) all Bonds of that maturity have been sold or (ii) the 10% Test has been satisfied as to the Bonds of that maturity, provided that, the Purchaser's reporting obligation after the closing date may be at reasonable periodic intervals or otherwise upon request of the Village or Bond Counsel. In addition, if the 10% test has not been satisfied with respect to any maturity of the Bonds prior to closing, then the Purchaser shall provide the Village with a representation as to the price or prices as of the date of closing at which the Purchaser reasonably expects to sell the remaining Bonds of such maturity.

(f) The Village acknowledges that, in making the representations set forth above, the Purchaser will rely on (i) the agreement of each Underwriter to comply with requirements for establishing the issue price of the Bonds, including, but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule, if applicable to the Bonds, as set forth in an agreement among Underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the Public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an Underwriter is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the Public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing the issue price of the Bonds including, but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The Village further acknowledges that each Underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing the issue price of the Bonds, including, but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule, if applicable to the Bonds, and that

no Underwriter shall be liable for the failure of any other Underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing the issue price of the Bonds, including, but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule if applicable to the Bonds.

(g) By submitting a bid, each bidder confirms that:

(i) any agreement among Underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A)(i) to report the prices at which it sells to the Public the unsold Bonds of each maturity allocated to it whether or not the closing date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Purchaser that the 10% Test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the closing date may be at reasonable periodic intervals or otherwise upon request of the Purchaser and (ii) to comply with the Hold-the-Offering-Price Rule, if applicable, if and for so long as directed by the Purchaser and as set forth in the related pricing wires, which shall be until the 10% Test has been satisfied as to the Bonds of that maturity or until the close of business on the fifth (5th) business day following the date of award,

(B) to promptly notify the Purchaser of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an Underwriter participating in the initial sale of the Bonds to the Public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the Underwriter, the Purchaser shall assume that each order submitted by the Underwriter is a sale to the Public.

(ii) any agreement among Underwriters or selling group agreement relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the Public the unsold Bonds of each maturity allocated to it, whether or not the closing date has occurred, until either all Bonds of that maturity allocated to it have been sold or until it is notified by the Purchaser or such Underwriter that the 10% Test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the closing date may be

at reasonable periodic intervals or otherwise upon request of the Purchaser or such Underwriter and (B) comply with the Hold-the-Offering-Price Rule, if applicable, if and for so long as directed by the Purchaser or the Underwriter and as set forth in the related pricing wires, which shall be at least until the 10% Test has been satisfied as to the Bonds of that maturity or until the close of business on the fifth (5th) business day following the date of the award.

(h) Sales of any Bonds to any person that is a Related Party to an Underwriter participating in the initial sale of the Bonds to the Public shall not constitute sales to the Public for purposes of this Official Notice of Sale. Further, for purposes of this Official Notice of Sale:

- (i) "Public" means any person other than an Underwriter or a Related Party,
- (ii) "Underwriter" means (A) any person that agrees pursuant to a written contract with the Village (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the Public),
- (iii) a purchaser of any of the Bonds is a "Related Party" to an Underwriter if the Underwriter and the Purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) "Sale Date" means the date that the Bonds are awarded by the Village to the Purchaser.

Tax Status

Quarles & Brady LLP, Milwaukee, Wisconsin, Bond Counsel, will deliver a legal opinion with respect to the federal income tax status applicable to the interest on the Bonds under existing law substantially in the form attached to the Preliminary Official Statement as Appendix A.

Designation as Qualified Tax-Exempt Obligations

Subject to the Village's compliance with certain covenants, the Bonds shall be designated as "qualified tax-exempt obligations" under the small issuer exception provided under Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), which affords banks and certain other financial institutions more favorable treatment of their deduction for interest expense than would otherwise be allowed under Section 265(b)(2) of the Code.

Book-Entry Only

The Bonds will be issued as fully-registered Bonds without coupons and, when issued, will be registered in the name of CEDE & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository of the Bonds. A single Bond certificate for each maturity will be issued to DTC and immobilized in its custody. Individual purchases may be made in book-entry-only form only through DTC participants, in the principal amount of \$5,000 or any integral multiple thereof. Individual purchasers will not receive certificates evidencing their ownership of the Bonds purchased. The Underwriter shall be required to deposit the Bond certificates with DTC as a condition to delivery of the Bonds. The Village will make payments of principal and interest on the Bonds to DTC or its nominee as registered owner of the Bonds in same-day funds. Transfer of those payments to participants of DTC will be the responsibility of DTC; transfer of the payments to beneficial owners by DTC participants will be the responsibility of such participants and other nominees of beneficial owners all as required by DTC rules and procedures. No assurance can be given by the Village that DTC, its participants and other nominees of beneficial owners will make prompt transfer of the payments as required by DTC rules and procedures. The Village assumes no liability for failures of DTC, its participants or other nominees to promptly transfer payments to beneficial owners of the Bonds.

In the event that the securities depository relationship with DTC for the Bonds is terminated and the Village does not appoint a successor depository, the Village will prepare, authenticate and deliver, at its expense, fully-registered certificate Bonds in the denominations of \$5,000 or any integral multiple thereof in the aggregate principal amount of the Bonds of the same maturities and interest rate then outstanding to the beneficial owners of the Bonds.

CUSIP Numbers

It is intended that CUSIP numbers will be printed on the Bonds, but neither the failure to print or type such numbers on any Bonds nor any error with respect thereto shall constitute cause for a failure or refusal by the Underwriter to accept delivery of and make payment for the Bonds. All expenses in relation to the printing of CUSIP numbers, including CUSIP Service Bureau charges for the assignment of said numbers, shall be the responsibility of and shall be paid by the Underwriter.

Continuing Disclosure

The Village covenants and agrees to enter into a written agreement or contract, constituting an undertaking (the "Undertaking") to provide ongoing disclosure about the Village for the benefit of the beneficial owners of the Bonds on or before the date of delivery of the Bonds as required under Section (b)(5) of Rule 15c2-12 (the "Rule") adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended. The form of the Undertaking is set forth in Appendix C in the Preliminary Official Statement. Please see the section entitled "CONTINUING DISCLOSURE" in the Preliminary Official Statement for a description of the Village's compliance over the last five years with undertakings previously entered into by it pursuant to the Rule.

The Underwriter's obligation to purchase the Bonds shall be conditional upon the Village delivering the Undertaking on or before the date of delivery of the Bonds.

Official Statement

The Village declares the Preliminary Official Statement provided in connection with the sale of the Bonds to be final as of its date for purposes of the Rule, except for the omission of the offering prices or yields, the interest rates, any other terms or provisions required by the Village specified in the bid, ratings, other terms of the Bonds depending on such matters, and the identity of the Underwriter. Upon the sale of the Bonds, the Village will publish an Official Statement in substantially the same form as the Preliminary Official Statement, subject to minor additions, deletions and revisions as required to complete the Preliminary Official Statement. By submission of its bid, the Underwriter will be deemed to have certified that it has obtained and reviewed the Preliminary Official Statement. Promptly after the sale date, but in no event later than seven business days after the sale date, the Village will provide the Underwriter with an electronic copy of the final Official Statement. The Underwriter agrees to supply to the Village all information necessary to complete the Official Statement within 24 hours after the award of the Bonds.

Conditions of Closing

The Village reserves the right to reject any or all bids and to determine the best bid in its sole discretion, and to waive any irregularity in any bid. Additionally, the Village reserves the right to modify or amend this Official Notice of Sale; however, any such modification or amendment shall not be made less than twenty-four (24) hours prior to the date and time for receipt of bids on the Bonds and any such modification or amendment will be announced on the Amendments Page of the Parity® webpage and through *Thompson Municipal News*.

By submitting a bid, any bidder makes the representation that it understands Bond Counsel represents the Village in the Bond transaction and, if such bidder has retained Bond Counsel in an unrelated matter, such bidder represents that the signatory to the bid is duly authorized to, and does consent to and waive for and on behalf of such bidder any conflict of interest of Bond Counsel arising from any adverse position to the Village in this matter; such consent and waiver shall supersede any formalities otherwise required in any separate understandings, guidelines or contractual arrangements between the bidder and Bond Counsel.

The Bonds will be delivered to the Underwriter against full payment in immediately available funds as soon as they can be prepared and executed, which is expected to be April 11, 2023. Should delivery, however, be delayed beyond forty-five (45) days from the date of sale for any reason beyond the control of the Village except failure of performance by the Underwriter, the Village may cancel the award or the Underwriter may withdraw the Deposit and thereafter the Underwriter's interest in and liability for the Bonds will cease.

General Obligation Community Development Bonds, Series 2023A,

UNDERWRITER'S CERTIFICATE

The undersigned, on behalf of _____
("_____"), hereby certifies as set forth below with respect
to the sale of the above-captioned obligations (the "Bonds").

1. ***Reasonably Expected Initial Offering Price.***

(a) As of the Sale Date, the reasonably expected initial offering prices of the Bonds to the Public by _____ are the prices listed in Schedule A (the "Expected Offering Prices"). The Expected Offering Prices are the prices for the Maturities of the Bonds used by _____ in formulating its bid to purchase the Bonds. Attached as Schedule B is a true and correct copy of the bid provided by _____ to purchase the Bonds.

(b) _____ was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by _____ constituted a firm offer to purchase the Bonds.

2. ***[Bond Insurance***

(a) The Municipal Bond Insurance Policy (the "Bond Insurance Policy") issued by _____ (the "Bond Insurer") was essential in marketing the Bonds at the rates and prices at which they were marketed and the absence of the Bond Insurance Policy would have had a material adverse effect on the interest rates at which the Bonds were sold.

[(b) We are paying a premium of \$_____ (the "Bond Insurance Premium") to the Bond Insurer for its Bond Insurance Policy.]

(c) In our opinion, the Bond Insurance Premium paid to the Bond Insurer for its Bond Insurance Policy is a reasonable arm's-length charge for the transfer of credit risk which the Bond Insurance Policy represents.

(d) In our opinion, the present value of the Bond Insurance Premium is less than the present value of the interest on the Bonds reasonably expected to be saved as a result of the Bond Insurance Policy. In making this determination present values were computed by using the yield on the Bonds (determined with regard to the Bond Insurance Premium) as the discount rate.]

3. **Defined Terms.**

(a) "Maturity" means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(b) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(c) "Sale Date" means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is March 21, 2023.

(d) "Underwriter" means (i) any person that agrees pursuant to a written contract with the Village (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents

_____ interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder.

_____ understands that the foregoing information will be relied upon by the Village with respect to certain of the representations set forth in the Tax Exemption Certificate and compliance with the federal income tax rules affecting the Bonds, and by Quarles & Brady LLP, Bond Counsel, in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G and other federal income tax advice that it may give to the Village from time to time relating to the Bonds.

PRINCIPAL AMOUNT: _____ THOUSAND DOLLARS
(\$ _____)

FOR VALUE RECEIVED, the Village of Hobart, Brown County, Wisconsin (the "Village"), hereby acknowledges itself to owe and promises to pay to the Depository or its Nominee Name (the "Depository") identified above (or to registered assigns), on the maturity date identified above, the principal amount identified above, and to pay interest thereon at the rate of interest per annum identified above, all subject to the provisions set forth herein regarding redemption prior to maturity. Interest shall be payable semi-annually on March 1 and September 1 of each year commencing on March 1, 2024 until the aforesaid principal amount is paid in full. Both the principal of and interest on this Bond are payable to the registered owner in lawful money of the United States. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Bond is registered on the Bond Register maintained by Zions Bancorporation, National Association, Chicago, Illinois (the "Fiscal Agent") or any successor thereto at the close of business on the 15th day of the calendar month next preceding each interest payment date (the "Record Date"). This Bond is payable as to principal upon presentation and surrender hereof at the office of the Fiscal Agent.

For the prompt payment of this Bond together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the Village are hereby irrevocably pledged.

This Bond is one of an issue of Bonds aggregating the principal amount of \$3,500,000, all of which are of like tenor, except as to denomination, interest rate, maturity date and redemption provision, issued by the Village pursuant to the provisions of Section 67.04, Wisconsin Statutes, for the public purpose of providing financial assistance to community development projects under Section 66.1105, Wisconsin Statutes, by paying project costs included in the project plan for the Village's Tax Incremental District No. 2, as authorized by resolutions adopted on February 22, 2023 and March 21, 2023. Said resolutions are recorded in the official minutes of the Village Board for said dates.

The Bonds maturing on March 1, 2033 and thereafter are subject to redemption prior to maturity, at the option of the Village, on March 1, 2032 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the Village, and within each maturity by lot (as selected by the Depository), at the principal amount thereof, plus accrued interest to the date of redemption.

In the event the Bonds are redeemed prior to maturity, as long as the Bonds are in book-entry-only form, official notice of the redemption will be given by mailing a notice by registered or certified mail, overnight express delivery, facsimile transmission, electronic transmission or in any other manner required by the Depository, to the Depository not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. If less than all of the Bonds of a maturity are to be called for redemption, the Bonds of such maturity to be redeemed will be selected by lot. Such notice will include but not be limited to the following: the designation, date and maturities of the Bonds called for redemption, CUSIP numbers, and the date of redemption. Any notice provided as described herein shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. The Bonds shall cease to bear interest on the specified redemption date provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Bonds shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Bond have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the Village, including this Bond and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrevocable tax has been levied sufficient to pay this Bond, together with the interest thereon, when and as payable.

This Bond has been designated by the Village Board as a "qualified tax-exempt obligation" pursuant to the provisions of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

This Bond is transferable only upon the books of the Village kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Bonds, and the Village appoints another depository, upon surrender of the Bond to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Bond in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the Village for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Bonds (i) after the Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Bonds, or (iii) with respect to any particular Bond, after such Bond has been called for redemption. The Fiscal Agent and Village may treat and consider the Depository in whose name this Bond is registered as the absolute owner hereof for

the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Bonds are issuable solely as negotiable, fully-registered Bonds without coupons in the denomination of \$5,000 or any integral multiple thereof.

This Bond shall not be valid or obligatory for any purpose until the Certificate of Authentication hereon shall have been signed by the Fiscal Agent.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder.
