RE: Hobart Commercial Lockbox Purchasing

4/19/2018

Hobart Lockboxes are required for all commercial buildings and are purchased by the owner through Kidde Fire Protection Systems.

Kidde has changed the ordering process to obtain new lockboxes, commercial building owners will now be required to log in online to Kidde and order your choice of the lockbox styles available.

When ordering you will be asked what fire department you are covered by and the appropriate key combination will be sent with your new lockbox.

For ordering lockboxes; <https://lockbox.shopkidde.com/rapid-entry-key-lock-boxes>

Fire Department: ***Village of Hobart Fire Department***

If a spot has not been designated on your building from the Village for the placement of the lockbox, contact Hobart Fire to determine the location before mounting.

Once secured in place, contact Hobart Fire to place keys and information in the lockbox.

If you have any questions on style of lockbox or ordering information, please contact the Hobart Fire Department at HBFD@Hobart-wi.org
